NSC

14 February 1977

MEMORANDUM FOR: ADCI

SUBJECT : NSC Semiannual Review of
the Intelligence Community

REFERENCE : Morning Meeting Request of
14 Feb 77; Same Subject

1. You requested that I check on the current status of our response to the NSC Semiannual Review of the Intelligence Community (attached).

25X1 2. When [] was queried today about the suspense date of 1 March, he said that we are to suspend any action on the Review pending a broader Policy Review Memorandum (PRM 11), which is to be issued shortly. The PRM is expected to call for a major review of all aspects of intelligence organization including the aspects highlighted in Brent Scowcroft's 18 January memorandum.
